

NEW YORK LABOR HEALTH CARE ALLIANCE

We are pleased to announce the availability to Local Unions' whose benefit funds are members of the NY Labor Health Care Alliance, the Union Member Mortgage Home Loan program offered by Continental Home Loans, Inc. This program is available to active and retired members and their families.

Continental Home Loans, Inc. is an independent licensed mortgage bank. The accompanying letter contains information regarding the program.

Representatives of Continental Home Loans recently made a presentation to the Board of Directors of the NY Labor Health Care Alliance and it was recommended that the local unions whose benefit plans are members of the NY Labor Health Care Alliance be contacted regarding this worthwhile program.

Already a number of our Local Unions have announced the availability of this mortgage program and referred their members to Continental Home Loans, Inc. with very positive results.

Please review the accompanying letter from Continental Home Loans for further information and please call them if you have any questions and for further information.

Thank you for taking the time to read this and to consider the Continental Home Loans Union Member Mortgage Home Loan program for your members.
