

NEW YORK
LABOR HEALTH CARE ALLIANCE

New York Labor Health Care Alliance, Inc.

The NYLHCA assumes all costs in negotiating vendor benefits & contract terms by leveraging all member fund lives (now over 100,000). By doing so, the NYLHCA is able to obtain much better terms than a typical fund could do on their own. Through a comprehensive due diligence process, the NYLHCA will search for providers in particular areas, fully document the process (RFP or similar) which will assist your fund in meeting its ERISA obligations, and select an “endorsed” provider in that space. This NYLHCA endorsed provider will then be offered to all member funds however, it is not mandatory that all member funds use the product/provider.

A sample of benefits when becoming a member of the NYLHCA:

- Your fund will have immediate access to fully vetted endorsed products such as PBM, Stop-Loss Insurance, Fiduciary Liability Insurance, Life & Accident Insurance, Medical Network, Vision, Dental, Wellness and Hearing. The NYLHCA is currently working on a Mental Health Network.
- Each member fund possesses one vote on the Board of Directors & be engaged in process of developing and expanding our competitive portfolio of benefits.
- Participation in education offerings that include sharing best practices with other Administrators, Trustees and Plan Professionals & Consultants.
- Complimentary invite for you and all Trustees to our Annual Educational Seminar & Golf Event at the Turning Stone Resort & Casino.
- Your Fund can participate in one, or many of our Endorsed Products/Services.

The NYLHCA is a 501(c)5 not for profit corporation comprised of over 55 union sponsored health benefit plans whose purposes are to negotiate with health care and related service providers to establish economies and efficiencies in cost and delivery of health-related services by pooling interests, efforts and purchasing power of all lives in all member funds. We are inviting your local health benefit fund to join and become a member of the NYLHCA!
