

Provider of the Month Spotlight: Express Scripts

The NY Labor Health Care Alliance is pleased to announce "Provider of the Month Spotlight"

A Trusted Partnership

We are thrilled to spotlight Express Scripts, our exclusive pharmacy benefit manager (PBM), an outstanding endorsed provider that has partnered with the NYLHCA for over thirty years. Today, more than 103,000 members are reaping the rewards of this exceptional program, and that number continues to grow.

Our comprehensive contract with Express Scripts includes valuable features, such as detailed claims audits, annual market assessments and pricing improvements, generous credits to new and existing funds, and advanced data mining services. These offerings ensure that our members receive the highest level of care and support. Join us in embracing this exceptional partnership! "Our relationship with Express Scripts (formerly Medco), which began in the 1990s, has helped our Fund navigate the ever-changing PBM climate. Their programs have helped us manage overall cost and trend without adversely affecting patient outcomes or satisfaction. We feel that ESI is a true labor partner we can trust, and we look forward to continued collaboration."
